# ROADHOUSE DINER™

**Congrats!** You've made it to the world-famous Roadhouse Diner - we've won lots of awards, the owner, Tara, has been on Food Network and we're proud to be part of Great Falls food culture with our **fresh, locally-sourced food.**

Your burger comes from **McCafferty Ranch** just 26 miles away in Belt - all from the same lineage of cattle, supplying us with grass-fed and sprout finished beef that has superior marbling, flavor and tenderness from the dry aging process. It's a unique taste that you can only find at the Roadhouse.

Our buns are baked fresh daily by **Great Harvest Bread** and our fries are cut every morning. **Our goal is to give you the best, freshest Montana meal you'll sink your teeth into.**

**Our burgers are cooked Medium to Medium-Well which can have some pinkness in the middle. We do not cook burgers to temperature.**

**IF YOU ARE SENSITIVE TO PINKNESS IN YOUR BURGER, ORDER IT 'NO PINK'**

\*Consuming raw or undercooked eggs may increase your risk of foodborne illness. While we take steps to minimize the risk of cross contamination, people with peanut, egg or other allergies should be aware that we use those ingredients on some burgers and on cooking surfaces.
